

Engineering Education & Training

For Civil and Seismic PE Review

EET is different from other organizations because:

- ◇ Separate sessions for the Breadth and Depth modules.
- ◇ Sessions are in:
 - Live Seminar • Live Webinar • On-Demand Webinar
- ◇ Practice problems sessions.
- ◇ Practice exam and simulated exam.
- ◇ Instructors are available for after class consultations.
- ◇ Maximum satisfaction guaranteed with classes and handouts

Hours and Fees for each module (includes handouts):
